## Community Projects

### Zine Swap

*Jan 2018 - Present*

Organize and participate in a quarterly zine swap of 40+ creative folks across the U.S.

### Elizabeth River Trail

*Mar 2016 - Sept 2018*

Evolved the brand and wayfinding system for Norfolk's 10.5-mile urban trail in collaboration with the Master Planning team.

### ENJOY:

*Aug 2017 - Aug 2018*

Developed the name, brand, space, website, and marketing strategy for a mixed use community pop-up space.

### InSight Portfolio Review

*Apr 2017 + Apr 2018*

Conceptualized an annual event to provide undergraduate design students with professional development experience through one-on-one portfolio and resume reviews, panels with industry leaders, and scholarships.

Organized a team of volunteers to brand and execute the program, which is continued by AIGA Hampton Roads.

### SPARK Poster Exhibition

*Oct 2016 + Oct 2017*

Conceptualized, branded, and organized a community poster exhibition for Norfolk's annual NEON Festival to activate an underutilized alleyway. The program is continued by AIGA Hampton Roads.

## Work Experience

### Product Design Director

*Kaymbu • Norfolk, VA • October 2021 – Present*

- Partner with CEO to define & implement product strategy and roadmap.
- Continually review & improve our design system, brand language, and internal processes.
- Craft efficient user flows through an end-to-end product design process.

### Senior Product Designer

*Remind • Norfolk, VA • May 2020 – October 2021*

- Design user-centric flows across platforms by incorporating insights from both qualitative and quantitative data.
- Partner with engineers, researchers, and product managers to prioritize and build products from conception to launch.

### Associate Creative Director

*Grow • Norfolk, VA • June 2015 – May 2020*

- Collaborate with multi-disciplinary teams to concept, pitch, execute, and deliver digital products.
- Create and deliver compelling presentations, ensuring buy-in and alignment from clients and other stakeholders.
- Oversee project budgets, resources, and timelines to ensure the work is executed efficiently without compromising quality.
- Strategize, ideate, and execute marketing content across all of Grow's digital platforms to promote our work and company culture.

## Teaching Experience

### On-Screen: Digital Design Program

*Good At Being • Norfolk, VA • May - Aug 2019*

- Developed a 12-week digital design bootcamp and speaker series for student and entry-level designers. Led participants through design thinking and prototyping processes to create and present a mobile app.
- Secured community partners to sponsor hosting, meals, scholarships, and speaker fees.

### Interactive Design 1

*Tidewater Community College • Norfolk, VA • Jan - Apr 2017*

- Evolved the existing curriculum to teach students how to ideate, wireframe, and build multi-page websites in HTML and CSS.
- Introduced lessons in writing-first design, contemporary digital design trends, accessibility, and web hosting.
